COMPLAINT

United States District Court
District of South Carolina
Charleston Division

Case 9:25-cv-00642-RMG-MHC

Now Robert Samuel Pimentel complains of the defendant.

FACTS

- 1.) Plaintiff is a resident of Dorchester County where the majority of the plaintiff originate.
- 2.) Defendant is mainly a computer script operating in which it regularly acts on behalf of and with the assistance of numerous government agencies, private individuals, other prisoners, etc., along.
- 3.) Venue is believed to be proper with the United States potentially becoming a party to this action.
- 4.) AT has damaged Plaintiff in too many and countless ways to list for whatever, date, interfered, Plaintiff would rely on whatever to be the true; however, some claims include torture, which, duress, attempted murder (numerous), excessive force, stalking, harassment, assault, battery, property damage, abuse of authority, abuse of discretion, malicious intent, plaintiff's neglect and negligence purpose, rape/sexual assault, humiliation, malice, anguish, emotional distress, theft(?), other civil and human right violations, et cetera, to wit and to date, which could be made material facts through computer logs, records, histories, etc from Central Intelligence, Federal Bureau of Investigation, Drug Enforcement Agency, Bureau of Alcohol Tobacco and Firearms, State Law Enforcement Division, and potentially the subjective of individual employees and agents.
- 5.) AT has sent thoughts to Plaintiff against his will demanding he be a CIA Domestic Counterterrorism agent for free, as well as for some of the other, DIA agents, and has been attempting to have him into forced labor in this fashion, as well as through the use of painful and embarrassing bodily controls, brain controls, etc including anal rape, oral rape, phallic rape, testicular rape, starvation, false imprisonment at DCIS for 7 months, including 5 months of solitary confinement with visiting times of less than 18 of DCIS, BCSO, Summerville Police, Charleston Police, Tridays, and just plain word, many AT-controlled persons including his own family (son, son, 21, 19, brother, sister) and extended family, inmates and jail staff, hospital staff (and more particular).
- 6.) AT has sent Plaintiff to the hospital numerous times, including resulting in a surgery.

SPACE

7.) As an Inquiry System the AI has damaged Plaintiff beyond ~~actual~~ ^{other} health -
to the natural health he had before these AI-to-human attacks.

8.) AI has specified on numerous occasions its motive for those tort violations is
not Plaintiff alleged gross negligence against Thomas Phifer (Case # 19-cv-03035),
including the use of a news article stating Plaintiff's 16.8 mph traffic ~~speed~~
~~concerned w/~~, Phifer caused 89.4% of his 146 lbs falling from a window.
While trying to force Plaintiff to be negligent, AI specified that this
was in fact a pre-emptive action by Phifer to get a new job, constituting A&B
as a police officer, and that it refused to provide Plaintiff records to Plaintiff during
the discovery process that may further fuel that motivation.

9.) AI has specified that the use of antisocial marketing, directed against the
company for which it attacks Plaintiff, is one of (most) their alleged torts.

10.) AI has specified that the homophobia of Plaintiff's successor of State insurance,
including their attorney relevant to the pending lawsuit (Plaintiff v Town of Somersville)
which is active in Dorchester County, Common Pleas; certain SLED attorneys,
private investors, and other homosexuals relevant herein are causing these torts.

11.) AI has specified that Town of Somersville contracted C to attempt to make
this lawsuit against Town of Somersville "go away" and this causes torts.

12.) AI has specified that numerous "mk ultra handlers" have committed torts
against Mr. Piccioli, who is white in race and of Hispanic ethnicity,
as a reason for these torts as will be many others from Cleveland, Ohio.

13.) AI has specified that an inquiry resulted from X female-to-male tort by some
members/superiors from the Mr. Piccioli was a cadet with USMSTC has
caused some of these torts/attacks on a US citizen on April 16, 1971, pursuant
to a pillow fight ordered at Goodfellow Training Station, while he was under 18,
and his 2 kids were born as a - SPACE - result of this inquiry.

COMPLAINT Case.

FACT 14.) Plaintiff is currently imprisoned at SACDC, Little Africa, and the data inference is being used to torture(alt) inmates in JAILBZH, which AI identified as an AI-controlled witness device. Specifically, AI has been using "CGI" to doze the faces, bodies, and identities every aspect of the imagery being displayed on the TV's. This is difficult to watch as it makes faces look suburban and is almost always using multiple to choose the specific faces and ranges used, with also setting random thoughts and using body controls to test random contexts/questions.

15.) AI has been using advanced technology to force Plaintiff to have hearing noises which resulted in Plaintiff required assault on Plaintiff by a CO, Plaintiff to be locked in a holding room under most unusual conditions, and a significant amount of physical injury, emotional distress.

16.) For about a year the AI has required Plaintiff to get clean after using the restroom, and insisted that without a faint drool, it would cause Plaintiff to release Plaintiff to be clean.

17.) Plaintiff appeared at Dorchester County Clerk Court with an Motion for Emergency Relief, but instead DCSO took Plaintiff from the window.

18.) Plaintiff would retain the right to Amend the pleadings.

DEMAND

Plaintiff would adopt by reference the alleged facts and demand Judgment for the available coverage from all entities fair to make him whole; emergency and permanent RELIEF from AI, including immunity from State and Federal custody and investigations; any individual assets AI runs and operates including personal accounts; and any and all Other Relief deemed Just and Proper.
